HAPPY 2015 FROM PRESIDENT BUTTON

Thursday, January 15, 2015

Dear Kiwanis friends,

Happy 100th Anniversary! You are part of Kiwanis' century-long legacy of serving the children of the world. It is humbling to be part of an organization that is helping countless people around the world. I trust you have the same feeling.

As we celebrate our 100th anniversary in 2015, I invite you to be part of Kiwanis' anniversary gift to the world—a world free of maternal and neonatal tetanus. When I went to Guinea in 2012 to see the progress of The Eliminate Project, a group of mothers gave me faith that elimination of MNT is possible. These 12 women personally knew children and mothers who died from this painful, yet easily preventable disease. These women were dedicated to making sure every woman of childbearing age in their village was vaccinated. Many people in Guinea shared that same commitment.

I hope you will make the same commitment. For just US\$1.80, you can save lives. Will you pledge to [Save a Baby a Day](#)? Will you prevent the death of at least one of the 134 newborns who die every day from this dreadful disease? It's easy and convenient. Most importantly, it will save lives.

Yours in Kiwanis service,
