### Kiwanis International Mission Statement

**"Serving the Children of the World."**

Our speaker for today was Marti Cowherd. Marti's subject was a familiar one because it was about the Kiwanis International's goal of ridding Neo-Natal Tetanus from the third world countries. When I joined Kiwanis in 1995 the Kiwanis International goal was called, "IDD", or Iodine Deficiency Disorders. I'll have to admit, I never thought we had a chance of doing that, but WE DID IT. So I'm sure there are many of us that are saying the same thing about the Neo-Natal Tetanus project. There is a lot of money to raise but we can and we will raise it.

Thanks "Doc" Cowherd for bringing this very important issue to our club and individual's attention. WE CAN and WE WILL get this done. Let's do our part or at least as much as the Board feels is the best we can do.
