Program Chairman for July, Ron Brohammer introduced his guest speaker, Missouri Senator David Pearce.

Senator Pearce talked about the goings on at Jefferson City but mostly about redistricting of Missouri in regards to the State Legislature. Missouri due to population change in the last census lost one senator position and Ray County is one of 7 counties that make up the 21st district. Senator Pearce who is from Warrensburg (Johnson County) has been Senator in the past but represented a different district. That District is now made up of Clay, Ray, Caldwell, Lafayette, Saline Livingstone and Johnson counties. Today we are exactly 4 weeks away from the all important Primary election to be held August 7th. Tomorrow is the last day to register for the August Primary election if you are not already registered. I would commend Senator Pearce for the very worthwhile information he shared with us today. And thanks Ron for letting us get to know Mr. Pearce.
