Program Chairman for May, Nathan Preston

introduced today's speaker, Rayne Ethetton. Rayne is a very important cog in the development of young talent in Richmond at the Farris Theatre. She is the assistant Director of Youth Programs and Camp Director. Rayne has lived in Richmond for 17 years so she call it "home".

Rayne Ethetton, Assistant Director of Youth Programs and Director of the Youth Drama Camp.

Rayne was recruited by Vickie McCalley. Vickie started the youth programs at the Farris and has it appears selected a person who loves working with the kids, as she did, and developing their talent and self confidence. Most of what she does with the youth is free but due to the expenses involved there is a charge for the Youth Drama Camp. She advised she has called on individuals to assist a youth who is deserving of the experience but can't afford the fee for the Youth Drama Camp. It was not difficult to see that Rayne truly loves being involved with the Farris Theatre and developing the youth with drama experience. This was an excellent program and nice to know some of the good things that are happening in our community, especially with our youth.
